

SAINT VINCENT AND DE GRENADINES, what a lovely place  
 Opportunity for every class, creed, and race  
 Once yuh ready, once yuh able, once yuh willin  
 To work real hard, yuh bound to own someting  
 But for years and years I workin hard like a mule  
 And all I get is blisters and ridicule  
 And when I look around SVG  
 Every Tom, Dick, and Harry have someting  
 Except Brother Ebony
